**Note:** It is ok for a number to be reserved by a different horse/rider combo, if one exhibitor is showing at the Pleasure Shows & the other will be doing the Games shows.

**Back # goes with the horse!**  
If you have multiple exhibitors using the same horse, the back number will be the same for all showing that horse.

**By Reserving a Number:**  
You will bring your own number to each show & you are responsible for making your own copies as needed.

**Numbers 0-500**  
If you chose one of these numbers, I can give you a double set. Come to the office to ask!
